

# SHELTERED LAKES

## ETIQUETTE FOR DOG OWNERS

- Please keep your dog leashed around the cabins. Other people with dogs may be walking nearby and until animals and owners know the other guests, it is important to have the dogs appropriately controlled on leash.
- Please do not allow your pets on beds or couches.
- Always clean up after your dog with poop bags.
- Do not let your dog visit with other guests or dogs unless welcomed.
- At the beach area, dogs should be leashed under the trees and kept off the beach sand.

- Dogs may enter and exit the water near the boat docks, along the shore and at individual cottages.
- If your dog is off-leash, your dog needs to be well-behaved and must listen to your verbal commands. Please do not leave your dogs alone in the cabin.

Thank you for your thoughtful consideration.
